We are KPEDU and ready to work with you!

INTERNATIONAL KPEDU

Our objective is to give our students the education and training that prepares them to work in the ever more international working life.

We want our students to get along with different cultures, languages and nationalities. That is part of the professional skills!

ANNUALLY...

- 130 students travel abroad
- 80 staff members travel abroad for project meetings etc.
- 60 foreign students as guests in our schools
- 50 foreign teachers and staff members as guests
- 150 immigrant students
- 30 co-operation countries
- 20 international projects
- International networks, Skills competitions

KPEDU:

- Staff 440
- 1700 young students (16-19 years)
- 1300 adult learners

WE ARE GOOD IN:

- Regionally comprehensive and high-quality education (good results)
- Student welfare
- Projects and international mobility
- Developing and training our own staff
- Contacts between education and companies
- Developing the route to higher education
